

Photography Copyright Consent Form

FEBS has a legitimate interest in collecting photographs from all contributors to enrich the photo archive of FEBS events. These photos will be utilized for promotional activities.

We kindly request your consent to allow FEBS to use your photos. By providing consent, you waive any future claims of copyright infringement. However, you maintain the right to withdraw your consent at any time by contacting FEBS.

Please be assured that FEBS will make every effort to promptly remove your photo from our database and cease its usage upon withdrawal of consent, unless it has already been included in printed publications, which cannot be retracted. Kindly note that if your photo is published by FEBS in any form, it is based on Legitimate Interest. FEBS ensures diligent compliance with GDPR and takes full responsibility for doing so.

All of these boxes must be ticked to provide consent.

I hereby consent to give FEBS the permission to use my photos.

I understand that:

- My photos will be held for up to 10 years, unless I withdraw my consent;
- I can withdraw my consent at any time by emailing FEBS admin@febs.org. FEBS will then have to delete my photo from their database and will go to all reasonable efforts to stop using the image in future.
